

MG OVERSEAS

Premium Natural Stone For Your Every Project

Manufacturer and Supplier of Natural Stone

About Us

Founded back in 1992, At MG Overseas (Maruti Granite Group), we are passionate about transforming spaces with the timeless beauty of natural stone.

As a trusted manufacturer and supplier of premium stone, we bring over four decades of family expertise in the stone industry to every project we undertake.

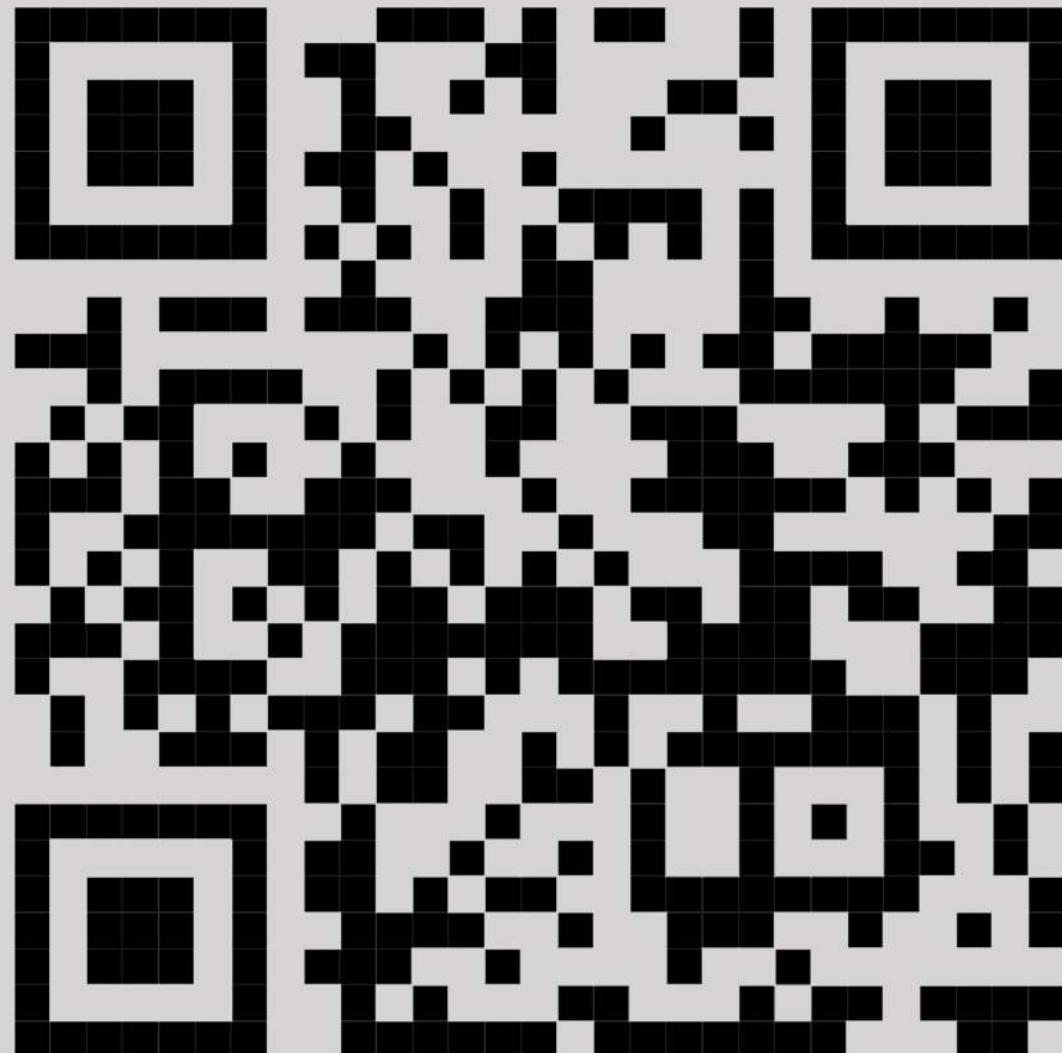

Founded with a vision to organize and elevate the natural stone industry, MG Overseas began as a humble venture in Bagra, Jalore (Rajasthan)—known as the Granite City of India. Starting with a modest 250 sq. ft. office and a small granite tile manufacturing unit, we have grown into a globally recognized name, fulfilling demand both nationally and internationally.

At MG Overseas, we pride ourselves on delivering premium-quality natural stone products that combine durability, elegance, and sustainability. Whether it's a residential project, a commercial space, or a large-scale international order.

Join us as we continue to carve a legacy in the natural stone industry, one stone at a time.

Quality Assurance

We ensure top-quality granite through strict material selection, precision cutting, and inspections at every stage. Our skilled craftsmen deliver flawless finishes, we provide on-time service with consistent customer support to meet your specifications. Quality & satisfaction guaranteed.

CRYSTAL YELLOW

Crystal Yellow Granite features a consistent yellow background with subtle variations in shade, often accompanied by light gray or brown speckles. The granite has a crystalline texture, which gives it a shiny and polished finish when processed.

Finishes : Available in polished, flamed, honed, brushed, leathered, and more.

Usage : This granite is versatile for both interior and exterior applications.

- Interior: Countertops, Flooring, wall cladding, Staircases and vanity tops.
- Exterior: Parking, Paving, monuments

Sizes - Slabs & Tiles Available, Available as per requirement

PLATINUM WHITE

Platinum White Granite features a white or light gray base with subtle specks or veins of black, gray, or silver, giving it a sophisticated and modern look. The granite takes well to polishing, achieving a high-gloss finish that highlights its natural beauty.

Finishes : Available in polished, flamed, honed, brushed, leathered, and more.

Usage : This granite is versatile for both interior and exterior applications.

-Interior: Countertops, Flooring, wall cladding, Staircases and vanity tops.

-Exterior: Parking, Paving, monuments

Sizes : - Slabs & Tiles Available, Available as per requirement

CRYSTAL BLUE

This exquisite natural stone features a soft black base adorned with small, shimmering spots of light white and blue, resembling delicate crystals. These unique characteristics give the stone its name, Crystal Blue Granite, and make it a symbol of understated luxury and timeless elegance.

Finishes : Available in polished, flamed, honed, brushed, leathered, and more.

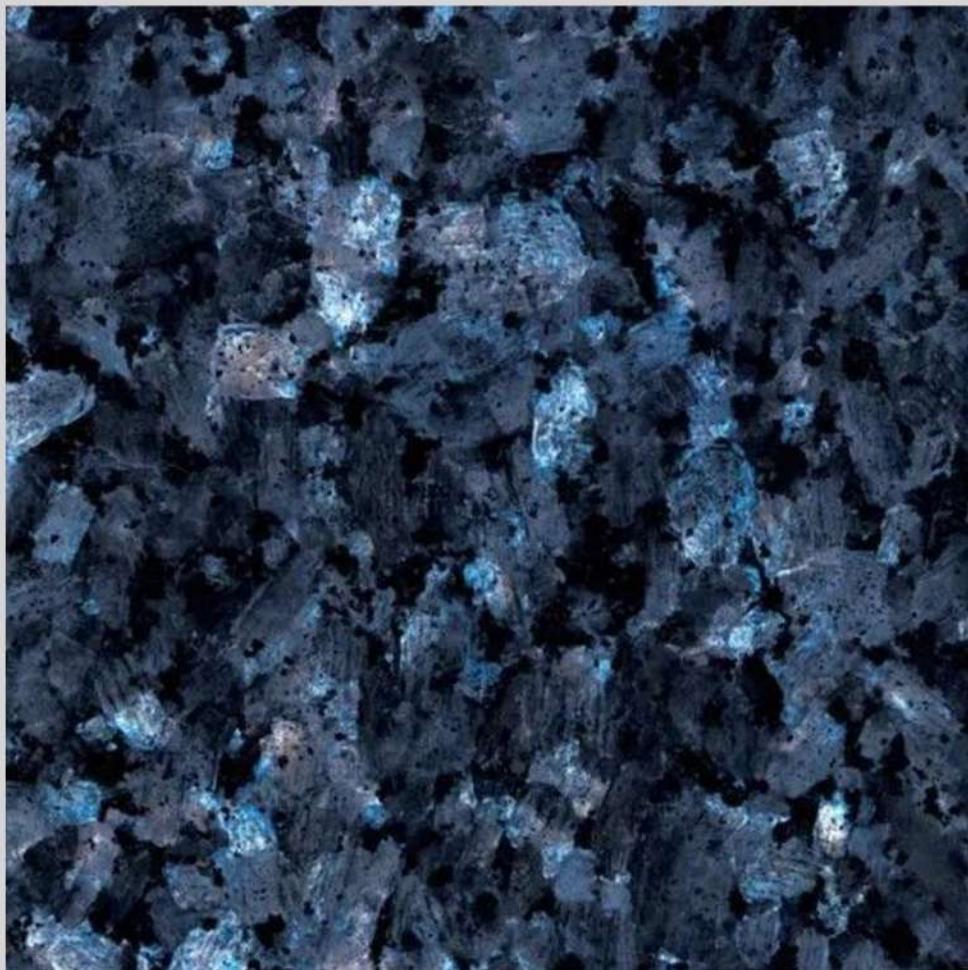

Usage : This granite is versatile for both interior and exterior applications.

-Interior: Countertops, Flooring, wall cladding, Staircases and vanity tops.

-Exterior: Parking, Paving, monuments

Sizes : Slabs & Tiles Available, Available as per requirement

Commercial Use--Hotels, offices, and retail spaces (e.g., reception desks, tabletops)

ROSY PINK

Rosy Pink Granite is a kind of pink granite quarried in India. It is obtained in beautiful floral patterns in brown, white and grey having an overall pink base. This warm and inviting granite complements many design styles making it a popular choice for both the homeowner & trade professional.

Finishes : Available in polished, flamed, honed, brushed, leathered, and more.

Usage : This stone is especially good for Countertops, monuments, mosaic, exterior – interior wall and floor applications, fountains, pool and wall coping and other design projects.

Sizes : - Slabs & Tiles Available, Available as per requirement

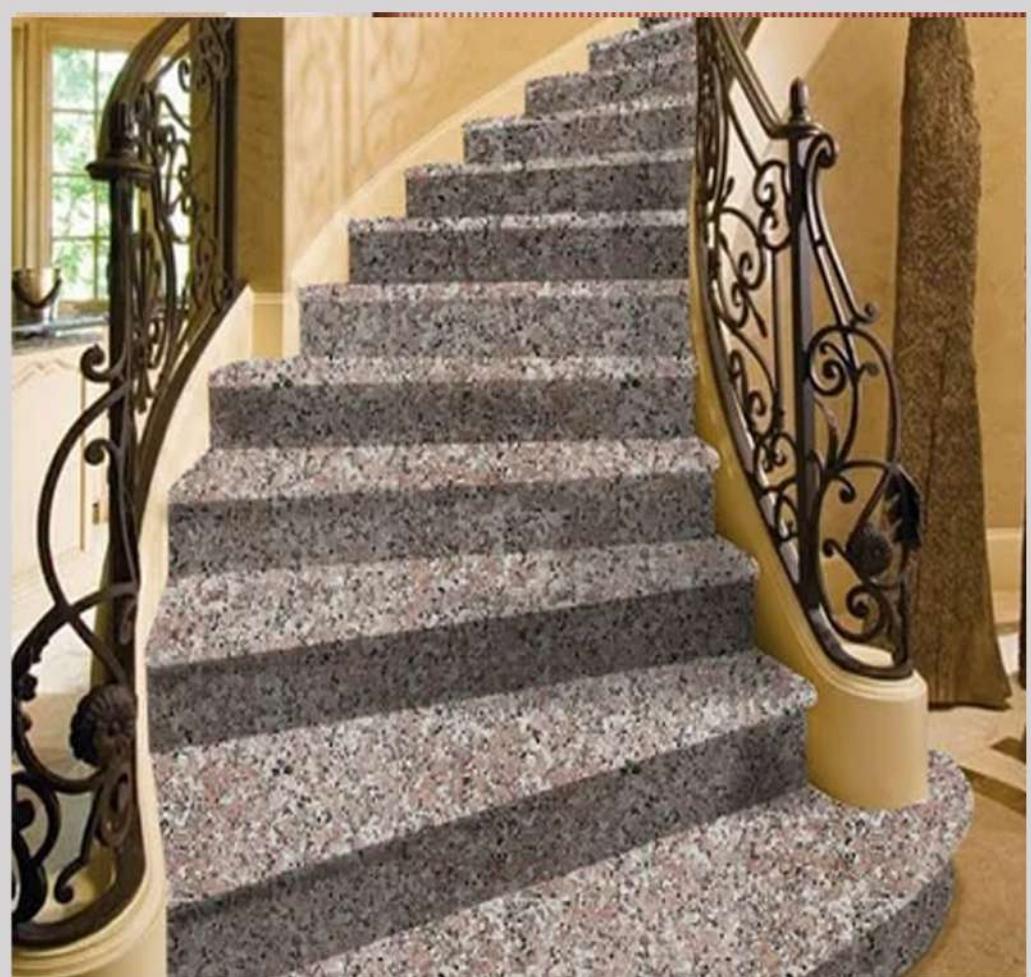

CHEEMA PINK

Cheema Pink Granite is a captivating natural stone that showcases a beautiful blend of soft pink and subtle beige tones, creating an aura of elegance and charm. Its polished surface exhibits delicate patterns and occasional black speckles, adding depth and character to any space.

Finishes : Available in polished, flamed, honed, brushed, leathered, and more.

Usage : Widely used for Interior and Exterior Purposes like Kitchen Countertops, Wall Cladding, and Tabletops. Vanity tops, Flooring, basins, Steps, and Risers, etc

Sizes : - Slabs & Tiles Available, Available as per requirement

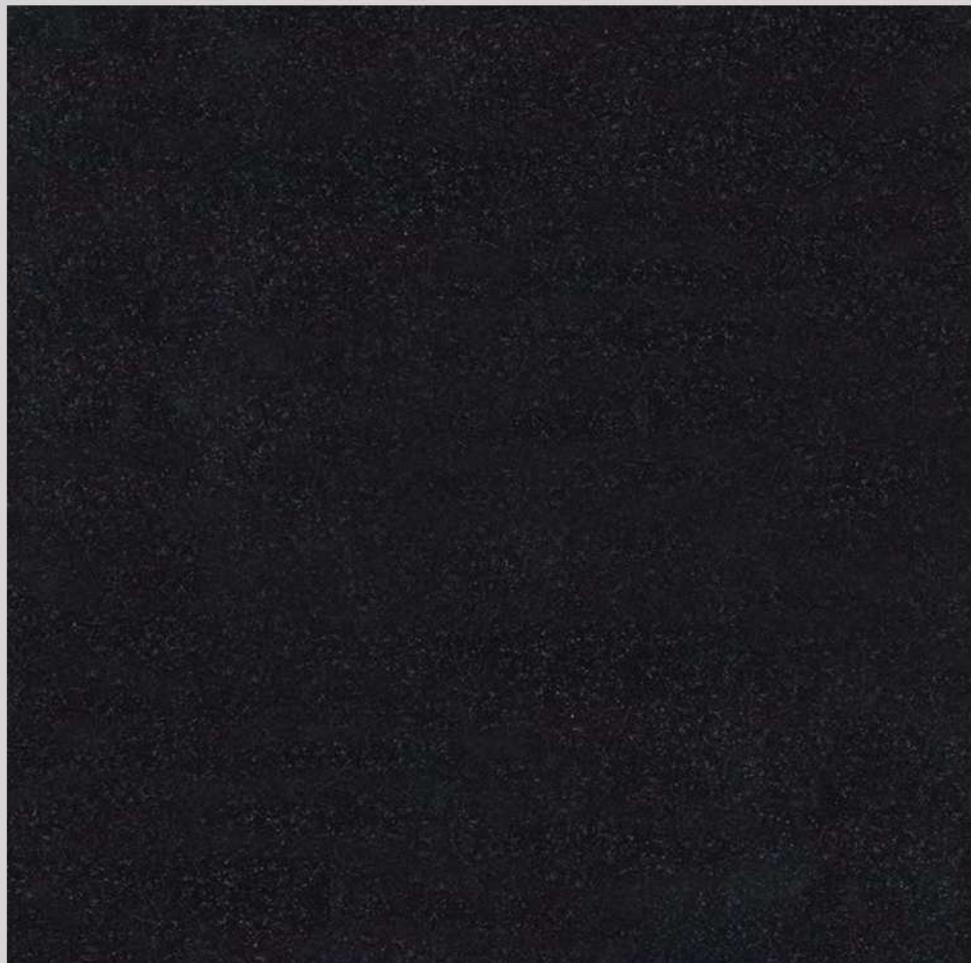

ABSOLUTE BLACK

It is a premium, deep black natural stone with a fine to medium grain and a polished finish that gives it a sleek, mirror-like appearance. It is quarried primarily in India and is known for its uniform color and minimal veining or speckling.

Finishes : Available in polished, flamed, honed, brushed, leathered, and more.

Usage : Widely used for Interior and Exterior Purposes like Kitchen Countertops, Wall Cladding, and Tabletops. Vanity tops, Flooring, basins, Steps, and Risers, etc

PACKING

1. Granite Slab Packing

- Plastic inside + Strong seaworthy wooden bundle outside

2. Granite Tile Packing

- Foam inside + Strong seaworthy wooden crates with reinforced straps outside

FINISH TYPES

1. Polished

- Mirror-like shine, enhances color/pattern, smooth surface. Achieved via grinding/buffing with abrasive pads

2. Honed (Matt/Satin)

- Smooth, non-reflective surface; polishing stops before buffing

3. Leather (Brushed)

- Textured, subtle gloss; created with diamond-tipped brushes.

4. Flamed

- Rough, faded look from high-heat exposure

5. Lepatora/Lapatro

- Italian-origin mix of polished/matte; granular texture

6. Acid-Washed

- Antiqued look from acid treatment

7. Bush-Hammered

- Pitted surface from hammering; rustic appearance

8. Sandblasted

Rough texture from sand/water jets
